

January 14, 1993 LB 3, 4

SPEAKER BAACK: Yes, Mr. Chairman and colleagues, and, Senator Preister, I will assure you that these are not of any substantive kind of nature. These are...the ones that are being repealed here are six sections that are totally obsolete because of the dates that are in those sections. And so these are just obsolete sections. There are no substantive changes being made. Thank you.

SENATOR KRISTENSEN: That was the closing on LB 3. Thank you, Senator Baack. We will proceed to vote. The question is, shall LB 3 advance to E & R Initial? All those in favor vote yes, all those opposed vote no. We are voting on the advancement of LB 3. Have you all voted? Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on the advancement of LB 3.

SENATOR KRISTENSEN: Thank you, Mr. Clerk. LB 3 is advanced. Next, LB 4, Mr. Clerk.

CLERK: Mr. President, LB 4 introduced by Senator Warner. (Read title.) The bill was introduced on January 7, referred directly to General File.

SENATOR KRISTENSEN: Thank you, Mr. Clerk. For opening, Senator Baack, on LB 4.

SPEAKER BAACK: Yes, Mr. Chairman and colleagues, this bill would simply delete or eliminate an internal reference in Section 77-1736.08 to Section 77-1201.01, and the reason that we need to delete that is because Section 77-1201.01 was repealed in 1992 by LB 1, Section 180 of LB 1. And it had an opera...and LB 1 had an operative date of January 1, 1993 which now makes this obsolete, so we would simply bring this section up to date by deleting that reference. Thank you.

SENATOR KRISTENSEN: Thank you, Senator Baack. Any discussion on LB 4? Seeing none, Senator Baack for closing. Senator Baack waives closing. The question is, shall LB 4 advance to E & R Initial? All those in favor vote aye, opposed vote nay. We are voting on the advancement of LB 4. Have you all voted? Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 4.
